# CONGRESS GETS REPORT ON AYD

## SPARDI GRAS SECRECY 'OUT' IF FESTIVAL IS TO BE SUCCESSFUL, SAYS MORRISON

A suggestion by Doug Morrison, Spardi Gras chairman, that all information concerning types of costumes and concessions to be used by various organizations at the annual all-college festival met with the approval of the committee and those organizations representatives present at last night's meeting of the Spardi Gras committee.

Morrison explained the removal of the "veil of secrecy" formerly surrounding all organizational participation in Spardi Gras as a step toward the further coordination of effort being put forth to make the celebration a success.

"The old business of never letting your right hand know what your left hand is doing does not work where Spardi Gras is concerned," Morrison said. "Secrecy matters such as these only leads to confusion and the suppression of information vital to everyone working on Spardi Gras."

All information about costumes and concessions will be made public; however, the committee deemed it advisable to keep the identity of Spardi Gras queen candidates a top secret for another week. This will enable campaign managers to work out their plans for publicizing the various queen candidates, according to an explanation by Sal Millan, publicity chairman for the college carnival.

Willard Hillyer, entertainment chairman, announced that an audition sign-up will be held from 2 to 4 p.m. in the Student Union today.

Hillyer said that he will call for all available talent in order to fill out the entertainment program for Spardi Gras. Students signing up for auditions will arrange for audition times to suit their convenience. Piano players will be provided for all acts requiring music.

## WAA Elects New Officers For Quarter

In a meeting April 15, the newly reorganized Women's Athletic Association of San Jose State College elected the following temporary officers: Rhoda Anderson, president; G. J. True, vice-president; Mary Jones, secretary; Sandy Macy, recorder of points; Eleanor Kohn, treasurer; Gloria Arabia, reporter.

Geraldine Salina will be temporarily in charge of tennis as will Maryann Gilroy for volleyball and Felix Jones for softball.

On April 19th a playday with Salinas Junior College is being planned by the W.A.A. Participants will be decided by the process of eliminations in the various sports that will participate in the Salinas J. C. meet.

There will be another meeting of the W.A.A. on Monday at 4:30 in the classroom of the women's gym.

## QUEEN SELECTION OF JUNIOR PROM TO BE BROADCAST

Station KSJO will make a recording and rebroadcast of the queen selection which will be made April 25, announces the junior class council.

A definite time has not been scheduled for the rebroadcast, but it should be some time Saturday afternoon, according to Ralph Rogers of KSJO.

The selection of a queen will be made at the Junior Prom, which takes place a week from this Friday at the Palomar Ballroom here in San Jose.

The prom will be semi-formal and bids selling for two dollars may be obtained from any member of the junior class council, or at the booth in front of the quad from 11:30 to 1:30 daily.

The queen, to be chosen from among those present at the prom, will be awarded a wardrobe donated by local merchants, and will be selected by a committee of prominent beauty experts. Her two attendants will receive gifts of flowers.

KSJO's women's editor, Miss Phyllis Hunter, and staff member Frank Kirkpatrick are working with Rogers on broadcast details.

Council members in charge of the affair include Harold Riddle, Arlene Ross, Merideth Hughes, George Geneviro, Eleanor Freitas, Barbara Jensen, Betty Sills, Rose Marie Louis, Pat Davidson, Frank Hearne, Bill Wagner, Barbara Donoho, and Dot McAllister.

## Stewart, Dimeff Share Top Honors In Vocal Recital

Bruce Stewart, bass, and Carl Dimeff, baritone, were outstanding among the seven advanced vocal students of Miss Maurine Thompson who presented the second spring concert last night in the Little Theater before a capacity audience.

Stewart and Dimeff offered a varied selection of songs in which they showed remarkable ease and ability. Especially pleasing was the clarity of diction and expression the two young singers displayed.

Both Ruth Cousins and Emily Baptista shared in the possession of full, rich soprano voices and were received by the audience with enthusiasm. Miss Baptista sang with great poise and introductory notes before her songs were given charmingly.

Andy Holme, baritone, and Derrell Bond, tenor, each sang one song on the program.

Dolores Erwin has a sweet light soprano and her two songs were well suited to her.

The vocal evening was well received by the audience of students and friends of Miss Thompson of the music faculty who is to be complimented on the fine work of her students.

## HOUSE COMMITTEE CHARGED THAT AYD IS CLOAK FOR COMMUNIST INTERN

WASHINGTON, D. C., April 15 (UP)—The House Committee of Un-American activities charged tonight that the American Youth for Democracy is a direct arm of the Communist internationale and is trying to plant the seeds of Communism in American Universities and colleges.

In a documented 20-page report to Congress the committee said the organization "is neither American nor democratic in its origin or purpose" and it is "manipulated by shrews and specifically trained organizers behind the scene."

It said it poses a threat to National security "as critical as any in history" and added:

"The spectre of Communism stalks our college campuses masked under the cloak of the American Youth for Democracy."

"Behind the veil of a multitude of high-sounding slogans, one is conscious of determined effort to disaffect our youth and turn them against religion, the American home, against college authority, and against the government itself."

The report did not recommend specifically that the various states and universities outlaw the group, but it said that could be decided by those concerned.

It said the colleges and universities where the AYD is active should "thoroughly expose" its connections with the Communist party. Particularly, it said, AYD should not be recognized as a bona fide campus organization.

"Its members on campus should be made publicly known and register as such. Parents, fellow students, and faculty members should be provided with these membership lists together with a candid explanation of the true nature of the organization and its affiliation with Soviet-dominated Communism in America."

## JAYVEES CLOUT THREE HOMERS IN CAMPBELL GAME

San Jose State's junior varsity baseball team defeated Campbell High school, 18-3, yesterday at Campbell. The Jayvees collected 15 hits off Buccaneer pitchers, Fred Hawkins, Bob Carl and George Gleed while Bob Schatz sat Campbell down with six hits.

Joe Granada, JayVee third baseman, started things off in the first inning when he clouted a home run into center field. The Spartans scored five runs before the side was retired. Four more runs were collected in the second inning on four hits and one error.

Stow Clegg teed off on a high inside pitch in the third inning for another home run. The Jayvees collected two runs in the fifth and Jim McCarty cleaned up the sacks in the sixth with a four-base blow into left field.

The Buccaneers scored one run in the second and two in the third for their scores. The Spartans picked up another run in the seventh on two hits and a wild pitch by Gleed.

Gale Wetterstrom JayVee shortstop, led the Spartans in hitting as he collected four for five in the afternoon's tussle. Clegg had two for three for his afternoon's work.

The Jayvees now have a record of two wins and four defeat for their season's record. Coaches Angie Columbo and Bert Robinson take their charges to San Mateo Saturday to play San Mateo J. C.

## Alpha Phi Omega Asks Students To Call for Books

Students who failed to call for their books or money on previous occasions are requested to do so this morning between 10:30 and 12:30 in front of Morris Dailey auditorium, it was announced by Alpha Phi Omega, operator of the Student Book Exchange.

"Money and books will be available to those who left books on deposit," announce Dale LaMar and Bill Lundy, who will supervise the return.

"A full report of this quarter's exchange has not been made yet, but will be forthcoming in approximately two weeks as soon as tabulations can be made and expenses paid," states Harold Riddle, president of the organization.

## 'Bombshell' Races Toward Home; New World Record

EDMONTON, ALTA., April 15 (UP)—The Reynolds Bombshell raced down a 2,000 mile home-stretch tonight toward New York and a new round-the-world flying record.

Reynolds figured to finish his trip in a total time of between 76 and 77 hours if the Bombshell kept

The Reynolds Bombshell whipped across LaGuardia field today at 12:06:30 a.m. EST, to set a new round the world flying record of 75 hours, 55 minutes.

Reynolds and his crew bettered the world's record set by Howard Hughes in 1938 by 12 hours 18 1/2 minutes.

her previous pace. The present record is 91 hours and 14 minutes, set by movie-maker Howard Hughes in July, 1938. Magellan's Armada, which embarked on the first round-the-world voyage in 1519, took nearly three years to make it.

The weather was perfect here as the Bombshell raced down the runway and into the air for a perfect takeoff.

The plane had been here one hour and five minutes while 2,000 gallons of gasoline were pumped into the tanks.

## UNIONS AND COMPANY REJECT GOVERNMENT FORMULA FOR SETTLEMENT NEGOTIATIONS

WASHINGTON, April 15 (UP)—The National telephone strike negotiations collapsed tonight when the striking unions and the American Telephone and Telegraph company rejected a government formula to settle the nine-day walk-out by arbitration.

Secretary of Labor Lewis B. Schwellenbach announced the failure of the plan through which he had hoped to produce an early back-to-work agreement between the company and the 335,000 Bell System strikers.

It had called for arbitration of the six union's 10 major demands, including their bids for a \$12 weekly pay raise, and 48 hours of intensive negotiations on the four other points.

Both sides qualified their rejections and thus left the door open for another try by the government conciliation experts who have been straining to establish a basis for agreement that would end the walkout.

But momentarily at least the negotiations were back where they started at daybreak April 7 when telephone operators, maintenance men and Bell System plant workers across the country struck to enforce their demands for higher pay and national union recognition.

It was on that point that both the union and management based their rejection.

The company said it could not accept any plan which would lay the strike issues open to national arbitration, with a single award covering all the widely scattered Bell System employees.

The union said Schwellenbach's proposal would mean arbitration on a regional basis and hence was unacceptable to the NFW.

"We were offered local arbitration prior to striking and have steadfastly refused to have our disputes settled on this basis," said NFW President Joseph A. Beirne.

## MYSTERIOUS WOMEN ON FARM TURNS OUT TO BE AAU TIMER

Modesty is becoming—especially in a woman. For the past six years spectators at Stanford university track meets have seen a rather petite, well-tanned little lady in a white dress and visored cap out on the field hob-nobbing with the officials. Many took the sight for granted, but dyed-in-the-wool track fans wondered about a woman's place in the officials' circle. Here's the story.

Mrs. Margaret Storey is a registered Amateur Athletic Union timer for track and swimming. She has held an AAU card for six years, entitling her to act as official timer at any collegiate event held under AAU regulations.

Mrs. Storey stands out in a field of select individuals. Not everyone can be a timer. There are plenty of tricks to the trade. The usual run of officials at a track meet are rather elderly men who have followed the sport for years with a stop-watch in one hand and a dope sheet in the other.

At the Stanford-San Jose meet last Saturday, Mrs. Storey was at her usual place on the timers' stand—white dress, tennis cap, and stop watch—ready to catch winners as they flashed by in their gather for the tape. After the meet, as she prepared to turn in her watch a *Spartan Daily* reporter asked, "Mrs. Storey, would you care to give us some material for a feature about a woman timer?"

She replied, "Oh, I don't think there's any story in that."

We salute a fine performer in a man's game—Margaret Storey.

### Collection Brings \$300,000

MADISON, Wis. (UP)—The University of Wisconsin has bought the scientific library of the late Chester H. Thordarson, electrical genius and inventor, for \$300,000. The collection comprises 11,000 volumes and was purchased with a fund donated by alumni and friends as living memorial gifts.

### High School Grads Get Aid

FORT WAYNE, Ind. (UP)—Civic and educational leaders here have established a loan fund of \$25,000 for public and parochial

## Art Wing Exhibits Commercial Work

Old Europe with its colorful tradition and travel lures is portrayed in the commercial art exhibit now on display in the Art wing. Presented by Foster and Kleiser company, this collection of European travel posters is the work of distinguished European artists.

There is a genuine international tone to the collection which was gathered from Italy, France, England, Belgium, Sweden, Norway, Holland, Germany, Czechoslovakia, Iraq, Denmark, Russia, and Switzerland. In design, the posters include both modern and traditional technique. The individual art trend of each country is clearly reflected in that country's posters.

During the last war, poster design and reproduction was halted in Europe, but at present a rebirth is taking place. The new vitality coming into poster design is clearly evidenced in six post-war posters from France.

Poster art occupies a high place in the commercial art field and its widespread and important function is being increasingly recognized by artists and the general public. The Foster and Kleiser collection is being shown to present the best of European artists' work.

school graduates. Funds will be available to any high school graduate who wishes to attend college but cannot because of financial reasons.

## FUELESS FLYER HITS THE DECK

When a flying instructor has too many studies on his mind most anything can happen, and as Maurice "Moe" Richardson will testify, usually does.

Richardson, a sophomore aeronautics major from San Francisco, found himself floating through the ozone near the Palace grammar school on White road yesterday a.m. on a wing and a prayer. Moe's ship was out of gas. He promptly picked out a field near the Alum Rock road and dead-sticked his L-craft into the weeds.

Half an hour later the ex-air force pilot and his refueled ship were again in the air headed for Reed's Hillview airport, and home.

Moe says his program is too stiff—interferes with his flying. Guess he'll just have to cancel that THREE UNIT schedule and devote all his time to instructing.

## Mind Over Matter Prof Beats Heat

"All I did was keep my coat on, and convince myself that it wasn't hot."

Thus spoke Dr. Edgar Willis of the Speech department as he emerged from the recess of Barracks Six wearing a crisp white shirt, tie and also the jacket to his suit.

Behind the former naval officer came a tee shirt clad student, sweat streaming from every pore.

Here was a contrast. The precise prof dressed as if it were the middle of February or some such month, and the student, who, cognizant of the fact that yesterday was going to be a scorcher, had worn a tee shirt and a pair of army khaki pants.

But the shoe was on the wrong foot, and the different horse was of the same color, for the man with the clothes was cool, and he of the tee shirt and summer pants was shedding rivulets of water.

## COEDS CAPER WITH CHEMISTRY COSMETICS

By BEATRICE DOOLEY

"You, too, can be beautiful and through your own efforts," announce the members of Dr. Gertrude Witherspoon's cosmetics class as they dip experienced fingers into creams and lotions to test quality and thickness.

These cosmeticians, title granted as a result of two weeks' work in the laboratories, hope to learn in this course the wherefores and whys of the ingredients which compose the articles of cosmetics on the market. After a quarter of mixing, measuring, and stirring, they will qualify as good consumers, knowing, when they purchase and use Mirium Maxwell's Beauty Potion, the procedure that took place before the creamy mixture found its way into an attractive container.

### FROM OIL TO CREAM

With a total of some 16 projects on the schedule for the next

few weeks, the cosmetics class now has advanced from sun tan oils and lotions to liquifying cream. A quick look in the lab reveals Joan Winkenwerder and Elda Beth Payne—two prospective beauticians—with a domestic air about them as, clad in aprons, they industriously mix their day's assignment with an eggbeater. Shirley Pearson fondles her wisteria-scented jar of cream with one hand as she attempts to clean her equipment with the other.

Marilyn Hammond may be seen checking the formula for her supply of liquifying cream, which must be sufficient to provide her roommate with an equal amount. The secret "recipe" for this assignment includes: mineral oil, ceresine wax, beeswax, borax, and water. To give it that extra touch, the beauty-saving specialists add ten drops of perfume, the choice

of scent left to their own discretion and sense of smell.

### ONE MAN

A special feature in Dr. Witherspoon's novel course is lone man George Smith, pharmacy major. George hastens to inform inquirers that his projects are presented to his girl. However, he can't resist using "jockey," that masculine scent, when perfuming his creams and lotions. Amiable Smith sometimes presents a sample of his work to curious visitors.

Miriam Gaynor, science major, is one of the outstanding "cosmeticians" in the class. Speech, English, language majors, and persons with varied interests are members of the class, according to Dr. Witherspoon. The course is an elective one.

Take note, you people who are, and hope to continue to be, or those of you who aren't, and desire to be beautiful. Remember, you, too.

## MODELS MUST MAKE WITH THE PERSONALITY, STRESSES SPULER

Dean Spuler, photography editor of *Lycurgus*, parted his right eye from his range finder and considered the question, "What do you consider to be a photogenic model?"

Dean squinted down to about f22, carefully scratched his head, as he thoughtfully replied:

"She should be about so high"—Dean brought his hand, palm

down to a defined level—"She shouldn't be too pudgy, the camera adds weight. The shape should be about so, so"—again the hand waved expressively.

"And if she has a nice smile, and gives with the personality—along with the other features I mentioned—I don't care whether she's a blonde, brunette, or redhead." Dean's eyes exuded sparks of technicolor when he mentioned redheads.

### FORGOTTEN STAFF

The photo editor has a five-man staff, but messrs. Miller, Stone, DeGeller, Ainsley, and Wight cease to exist when the assignment calls for a femme fashion shot.

When he gets such a call, Dean happily gathers together his Speed Graphic and other impedimenta. Big item in the imposing array of equipment is a large, round, glaring white disc. It is used as a reflector to soften shadows, Dean explains.

### MODEL LIST

"Our fashion editor, Mary Price, is now studying a list of male and female models for possible use in the spring edition of *Lycurgus*. I plan to give my personal attention to the list of females. I have graciously allowed my assistants—Miller, Stone, DeGeller, Ainsley, and Wight—to take charge of all male fashion shots."

"I might mention," Dean added, "Miss Phil Ginn is to be assistant photography editor. Her experience as a *Spartan Daily* editor will be of invaluable assistance to us."

### FALL GUY

"ME!—I'm nothing but the fall guy around here," the diminutive Miss Ginn wails. I make appointments, ease terrible temperaments, and polish camera lenses. Why, oh why, do I get into these predicaments?"

Other staff members of the campus magazine hasten to assure that all is sweetness and light, and they insist their magazine will again rank with the best.

## Desert Sands Lure Ex-Spartans

With only a few more ex-Staters, there soon could be an Arabian chapter of the San Jose State college Alumni association. Spartans there already seems to be five Spartans living on the "desert sands."

Dean of Women Helen Dimmick recently received a letter from Mrs. Warren Johnson (formerly Eleanor Darr) who is now living in Saudi, Arabia. The ex-Spartan states that of the 500 Americans living in the area, she has met four ex-Staters, Mrs. Jean Fodgers Howlwood and her husband Charles, and Warren and Myrl Hodges.

Mrs. Johnson writes that the country is extremely interesting for the people live as their Biblical ancestors did.

Who knows? Perhaps in another year or so, if more Staters continue to travel to the corners of the earth, we will have SJS alumni meetings held yearly in Arabia.

## EDUCATORS MEET

Dr. Harry T. Jensen and Dr. Carl H. Rich of the San Jose State college Education department, will attend a meeting of the Secondary School Principals' association at Gilroy tonight.

Educational representatives from as far north as Daly City and as far south as San Luis Obispo are scheduled to attend the meeting.

Regarding the story about the AYD on page one. Students should take extreme caution before conversing with anyone. Get yourself a copy of the new "Who's Who in the AYD" and play safe. On sale at all newsstands where Hearst Publications are sold.

## Miss Carlson Wins

Miss Elizabeth Carlson, interior decoration instructor, recently won a \$100 prize in a nation wide "Better Rooms for Better Living" contest sponsored by the Chicago Tribune.

Plans for a model living room was Miss Carlson's entry. Her inspiration came from a house which is being built in the San Jose area.

NAVY DECLARES,  
'NO STRINGS' IN  
AIR RESERVE

"There are no strings attached," declared two U. S. Navy recruiting representatives during a recent campus visit, in emphasizing the liberal terms offered by the inactive and organized branches of the naval air reserve.

The representatives, R. B. Milholin, CSK, and J. S. Sloan, ACM, of the Oakland Naval Air station, explained that a man is privileged to resign without penalties from either the V6, inactive reserve, or the O2, organized reserve, whenever he so desires.

In order to acquaint students with opportunities offered in the reserve, Milholin and Sloan have scheduled a meeting in the Little Theater at 8:30 a.m., April 22, at which time they will present a program covering all phases of naval reserve enlistment and activities.

They indicated that liberal pay, reasonable advancement in rating, opportunity to fly, and training in many specialized skills, make the air reserve an attractive field of endeavor. Veterans and non veterans are eligible for enlistment. Veterans are reenlisted in the rating in the rating held upon leaving the service.

Spartan Chi Plans  
To Collect Books  
For Lingman U.

Plans for a tea and a program to collect books for Lingman university in Canton, China were among important items discussed by the Chinese frat, Spartan Chi, at their recent meeting, according to Henry Wong, acting-chairman.

The group also discussed plans for a picnic with the Chinese club of Stanford university and for a basketball game with the San Mateo J. C. Chinese team. Nominations for offices of president and vice-president were made at the meeting.

Members of the planning committee are Izzy Loo, Yeng Chuck, David Wan, Ed Wong, Nellie Yee, and Holland Fong. This group is in charge of the Spartan Chi Spardi Gras concession.

Refreshments and dancing completed the evening's program.

Playhouse Presents  
'Purloined Letter'  
Over Station KLOK

The Short Story Playhouse, under the auspices of the Radio Guild, will present "The Purloined Letter" by Edgar Allen Poe at 6 o'clock tomorrow evening over station KLOK.

The play, which is one of the first detective stories written in the United States, will feature John Calderwood, John Ickes, Milton Brietske and Betty Jones.

Short Story Playhouse, heard at a new time this quarter, is one of two programs presented weekly by the Radio Guild. Drama Time, replacing News and Interviews, is heard every Monday afternoon at 4 o'clock over station KSJO. Next Monday's production is "The Shadow," a fantasy by Hans Christian Anderson.

Members of the cast include: David Manning, Clark Kirkpatrick, Shirley Mandel, Margaret Candlish, Anne Hofling and Donald Barnes.

Dr. Edgar Willis is faculty adviser to the group.

## Club Plans Trip To Stanford

Plans for a tour of Stanford University will be made at a meeting of the campus Education club in room 157 at 8:30 tomorrow, according to Ann Tomasello, club president.

Other Northern California colleges also will participate in the tour, the purpose of which is to bring together members of the

California Teachers' association for an exchange of ideas and information.

Students making the tour will hear speakers, meet fellow OSTA members, and lunch in the Garden room of Stanford union.

Other business to come up at tomorrow's meeting is the election of club officers.

## NETMEN BATTLE SANTA CLARA THIS AFTERNOON

Coach Ted Mumby's Spartan varsity tennis players vie with the strong Santa Clara Bronco squad this afternoon on the latter's courts. The Spartans seek revenge for the drubbing they received from the Broncos the last time they met.

The netmen have come a long way since they were defeated by the Broncos. They were barely nosed out by the University of San Francisco Dons and have beaten San Mateo JC and Menlo JC.

Within the next two weeks the Spartans face a busy schedule which includes a return match here Saturday with San Francisco State. They downed the Gators in a close match in San Francisco early in the season.

All next week the Spartans will be on the road. Wednesday they face the highly-touted Santa Barbara State college squad and Thursday they participate in the Ojai annual tennis tourney which will last for three days.

Among the Spartans who will see action against the Broncos tomorrow are: Dave Parnay, Bob Brokop, Gene Franco, Don McKenzie, Chet Bulwa, and Greg Sargent.

## Organization News

### CANTERBURY CLUB

Coralee Hill, San Jose State speech major and Canterbury club member will speak at the Diocesan Conference of College Canterbury clubs at Palo Alto Sunday, which will be attended by the members of San Jose State college's Canterbury club.

The topic of the conference is "The Responsibility of the Church in Social, Economic and Political Problems." There will be speakers on that topic from Stanford, Mills college, and the University of California, whose members will also attend the meeting.

### ALPHA GAMMA

Ed Kincaid, art major from Livermore was elected president of the newly renamed Arts club, Alpha Gamma, at a recent meeting. Other officers elected were Max Averitt, vice president; Allyn Tunzi, secretary; Virginia Randolph, treasurer; and Bill Wagner, publicity manager.

Highlight topic of the discussion was the Arts Ball to be held May 9 at the San Jose Country club. President Kincaid firmly believes that it will be one of the best functions of the San Jose campus. "The theme," asserts Kincaid, "is surrealism." "It will be a compulsory costume affair," he adds. As yet the orchestra selection is in the hands of Nick Roukes and will be announced soon.

### SOPH CLASS

A special meeting of the sophomore class will be held tomorrow night at 7:30 in room 117, according to "Sophie," the 49'er mule, official spokesman for the sophomore class.

The purpose of the meeting will be to discuss the Sophomore Picnic which will be held May 9 at Alum Rock park and to complete plans for the coming Frosh-Soph Mixer. Spardi Gras will also be under discussion tomorrow evening.

"All sophomores who can make this important special meeting are urged to attend," according to "Sophie."

## Haynes Breaks School Record; Knowles Out

Gene Haynes in winning the mile run at Stanford Saturday afternoon in 4:22.6 established a new school record. The old mark of 4:23.2, held by Thelno Knowles, was set in the inter-fraternity track meet in 1942.

The Spartans will be somewhat weakened in Saturday's meet with Santa Barbara and San Diego as Knowles will be on the sidelines. The lanky half miler is still bothered by a leg injury and Coach Bud Winter wants him to be in top shape for later meets.

### VARNICK IN HIGH JUMP

Connie Varnick appears certain to start in the high jump even though still bothered by a bad leg. Hal Overhouse will enter the pole vault with a bad leg. However, his height at Stanford's Angell field will be among the top in Saturday's meet. Johnny Phillips is still a doubtful starter in the javelin toss.

Merle Knox, Spartan two miler, appears to be in top shape now after a rather slow start and should improve as the season goes on. Knox, former Big Nine champ, has run the two mile course in 9:35. He defeated Stanford's highly touted Frank Ganahl by a good 125 yards Saturday.

### NO TROUBLE WITH AZTECS

San Jose should have little trouble from either the Aztecs or the Gauchos, Saturday afternoon. However, Santa Barbara is much improved over last year as shown by its one point loss to Fresno last Saturday.

## BALL CLUB LUCKY; PIFFERINI PLAYS THREE POSITIONS

By TOM ROWEN

When Coach Walt McPherson makes out the starting lineup for the Spartan baseball team, he has three positions where he can put Bob Pifferini. He can play first base, outfield, and pitch. He hasn't played any at the bag this year, but his work on the mound has been sufficient.

Pifferini beat St. Mary's in the return match at Municipal stadium, but ran into trouble against San Diego and Santa Barbara. The game that he pitched against the Gaels will be remembered for a long time. He sat Coach Johnny Vergez' boys down with four hits and struck out nine hitters, which included Herman Wedemeyer twice.

Bob hails from Modesto where he played football, basketball, and baseball for Modesto J. C. He won nine letters while attending high school there.

He played center on Coach Bill Hubbard's Raisin Bowl team and was named on the second all-conference team. He also played second team guard on McPherson's basketball team this year.

His ball playing in the army consisted of three months with the 33rd Division in 1943. He was stationed in the Hawaiian Islands then, but later went to New Guinea where he didn't get an opportunity to play baseball.

He is a junior and is majoring in physical education.

### ITEM OF INTEREST?

The royal antelope, found on the west coast of Africa, is the smallest of all true-cud-chewing animals. It is only about 10 inches tall.

## SPORTS

## HORSEHIDERS SET FOR TILT WITH GOLDEN BEARS

Coach Walt McPherson had the Spartan baseball team hard at work yesterday preparing for tomorrow's game with the University of California. The infielders were at the practice field and the outfielders were over in Spartan stadium chasing flies.

Don Lopes is still suffering from a pulled leg muscle and Jack Kakuuchi has a bad foot. Lopes may be ready for the Bear contest but Kakuuchi reserve catcher and outfielder probably will not be able to play.

Pitching choice for tomorrow's game is still undecided, but Con Maloney, who is leading the pitching staff in games won, probably will be McPherson's choice to take the mound. Bob Pifferini worked on the mound in Saturday's game but will have to hold down center field at Berkeley in case Lopes isn't ready to play.

Ralph Romero pitched in the second game last week and beat the Gauchos, but McPherson probably will not use him because the Spartans have a game Saturday with San Francisco State and a doubleheader with COP next Tuesday.

### LEAGUE STANDINGS

	W	L
San Diego State.....	7	1
SAN JOSE STATE.....	5	3
Santa Barbara State.....	5	3
Cal Poly.....	4	8
Fresno State.....	3	7
COP.....	2	4

Last Saturday's results:

SAN JOSE STATE.....	5-4
Santa Barbara State.....	7-3
San Diego State.....	9-6
Fresno State.....	5-7
COP.....	4-8
Cal Poly.....	0-3

## PIANO RECITAL PRESENTED FRIDAY

Representative selections of piano music from the keyboard literature of the last three centuries will be presented by Mr. William Erlendson's advanced piano students in a recital Friday evening, in the college Little Theater at 8:15.

Those participating in the recital are Rachel Barton, Roberta Mitchell, Pricilla Phillips, Barbara Wells, Bonnie Troutner, Dotite Rae Fliflet, Beverly Busch, Shirley Ann Moeck, Betty Dilge, Beverley Strong, Anna Bond, Leah Hardcastle, George Walston, and Frances Phillips.

Compositions from Bach and Scarlatti to the contemporaries, including the works of Paradisi, Beethoven, Schumann, Mendelssohn, Chopin, Brahms, and Debussy, will be heard.

## Golfers Meet Salinas and Cards This Week

Coach Bill Hubbard's golf team is making a big week of it.

Today Hubbard will send his Jayvee squad against the Salinas J.C. Panthers over the Del Monte country club course in a return match. Last week the Spartan second team laced the maroon and gold outfit at the Hillview course in San Jose.

### ROUGH AFTERNOON

Playing on the Del Monte layout, Hubbard looks for the Panthers to give the locals a rougher afternoon. The Spartans will use Howard Verutti, Jay Hopkins, Charles Larson, Bob Cheim, Harold Shanley, William Tiffen, Dick King, and Jim Phelps against the lettuce-city aggregation.

Friday, the Spartan varsity golfers meet Stanford university at the San Jose country club at 2 p.m. Golf fans in and around San Jose are looking forward to one of the finest collegiate matches of recent years when the two teams clash.

### INDIANS FAVORED

On the basis of their performance at the Northern intercollegiate tourney two weeks ago, the Indians will rate slight favorites over the gold and white. However, neither Bob Harris nor Eli Bariteau were eligible for the Santa Cruz tournament, and their addition to the Spartan lineup Friday should make a lot of difference.

## SOFTBALL SKEDS READY FOR TEAMS

Schedule for the 1947 Spartan Daily softball league will be presented at today's meeting of all team managers at 12:30, in the Publications office. The league will start playing on Friday with two games beginning at 4 p.m.

The league will run until June 4 and a playoff game will be played with the winner of the inter-fraternity league.

The matter of umpires of league games will be discussed at the meeting and other problems that may arise during the season will be brought up.

## SWIMMING TEAM MEETS ST. MARY'S AT MORAGA FRIDAY

With a record of three wins and five losses Coach Charlie Walker's varsity swimming team will invade Moraga, Friday afternoon to meet the St. Mary's Gaels swimmers.

The Spartans handed the Gaels mermen a setback in the local pool last month by a 64-11 score and are favored to repeat in the Gael pool.

Led by sprinters Jack Daly, George Hodgins, Tundo Bogart, Don Thomsen, and Gordon Phillips, the Spartans should repeat their wins in the 50- and 100-yard swims and the relays. Ed Rudloff, Spartan breaststroker, will be favored to cop his specialty. Hugh Wood will be out for revenge in the 220-yard freestyle as Bob Schultz, Gael freestyler, nosed him out for the invader's only win in the Spartan pool.

Pat McConnell is favored to take the diving as he took second behind Leo Gaffney when the two teams met here. Jack Fenton or Al Johnson will team with McConnell in the diving.

Al Grass and George Peckham will swim the backstroke for San Jose. Pete Wolff will assist Rudloff in the breaststroke and Dave Moore will team with Wood in the distance freestyles.

## HILLVIEW OFFERS RATES TO GOLFERS

The Hillview golf course on Tully road in San Jose has made a special offer to the students of San Jose State college who wish to play the sport.

In a letter from Manny Goulart, co-manager of the club, green fees are listed at one dollar on week days and one and one half on Saturdays, Sundays, and holidays. These are the regular fees, Goulart says.

"For students, with student body cards, we have privilege cards which enable the holder to play any week day for one month at a flat rate of one dollar," Goulart added. "For those who wish to play on Saturday and Sunday too, the cards will sell at \$6.50 per month," the manager explained.

## Librarians Gather To Discuss Tasks

San Jose State college will be represented by five librarians Saturday when the college and university section, Northern division, California Library association meets in San Francisco.

Miss Joyce Backus, head librarian, is secretary of the association. Attending the meet with her will be Miss Helen Bullock, Miss Maude Coleman, Miss Dora

Smith, and Mr. Charles J. Boorkman.

Various problems of college librarians will be discussed, but the main business will be to plan for the college section meeting of the American Library association. California librarians will be host to the A.L.A. at their annual convention to be held in San Francisco this summer.
